TAKE NOTICE
AND BE ADVISED
THE U.S. CONSTITUTION IS
THE 'SUPREME LAW' OF THE UNITED STATES OF AMERICA

The Constitution for the United States of America is the first and foremost legal and binding contract between the states and the Federal Government. As such, it is in effect the basis for the creation and the framework for the operation of our entire Federal Government. In addition to this, the Constitution has been established by our Founders and agreed to by the states as the 'Supreme Law of the Land' on which all other laws are to be based.

The Supremacy Clause of the United States Constitution

(Article VI, Clause 2) establishes that the Constitution, federal laws made pursuant to it, and treaties made under its authority, constitute the supreme law of the land. It states:

> *"**This Constitution**, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, **Shall be the Supreme Law of the Land**; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding."*

This means that “UNCONSTITUTIONAL” actually means that it’s ‘ILLEGAL’. And when a public servant VIOLATES the law, they MUST be held to the highest standard, and held to account.
